

STUDENT USE OF ELECTRONIC COMMUNICATION/DATA DEVICES

Use of electronic communication/data devices are allowed for educational purposes only or as specifically authorized by the building principal.

Personal electronic communication/data device use:

New Holstein High School/Middle School

Personal electronic communication/data devices are permitted to be carried by the students. They must be turned off except for before and/or after school or during specified lunch period when they may be used.

Personal electronic communication/data devices will not be allowed to be used in a class when a test is being administered.

Camera capable personal electronic communication/data devices will not be permitted in the restrooms and/or locker rooms.

New Holstein Elementary:

Personal electronic communication/data devices are required to remain in the students' locker and turned off. Personal electronic communication/data devices may be used before and/or after school.

Students violating this policy shall be disciplined in accordance with established procedures.
