

Welcome to the SOTY Awards

The New Holstein High School Student of the Year Awards are presented to twenty-four students who act as both ambassadors to twelve various fields of study and demonstrate a prowess and affinity for the skills inherent in that particular field. The twelve departments are:

Agricultural Sciences

Business

Family and Consumer Economics

Fine Arts--Music

Fine Arts--Visual

Foreign Language

Language Arts

Mathematics

Physical Education

Science

Social Sciences

Technical Education

One award is presented to a junior or a senior who demonstrates ambassadorship in that specific field. Ambassadors are enthusiastic participators with strong talent, and they possess strong character, dedication, and leadership, within that specific field of study.

The other award goes to a freshman or a sophomore who already demonstrates or may demonstrate potential for ambassadorship, along with a promise of talent, character, dedication, leadership, and integrity within that specific field of study.

Congratulations to All of the Past Recipients!

below is the list from most recent
