Social Studies textbook is required to be covered. Brown grocery bags work well. Do not use covers that stick to the book or tape covers to the book. It damages the book! Please check covers periodically and replace when necessary.

This supply list will get your child off to a good start, but supplies will need to be restocked periodically. Please replace notebooks when used up, pencils when too small, and folders when tattered or torn.

Please bring a library book from home for use during the first week of school.
