

Welcome to the SOTY Awards

The New Holstein High School Student of the Year Awards are presented to twenty-four students who act as both ambassadors to twelve various fields of study and demonstrate a prowess and affinity for the skills inherent in that particular field. The twelve departments are:

*Agricultural Sciences
Business
Family & Consumer Economics
Fine Arts--Music
Fine Arts--Visual
Foreign Language
Language Arts
Mathematics
Physical Education
Science
Social Sciences
Technical Education*

One award is presented to a junior or a senior who demonstrates ambassadorship in that specific field. Ambassadors are enthusiastic participators with strong talent, and they possess strong character, dedication, and leadership, within that specific field of study.

The other award goes to a freshman or a sophomore who already demonstrates or may demonstrate potential for ambassadorship, along with a promise of talent, character, dedication, leadership, and integrity within that specific field of study.

*Congratulations
to All of the Past Recipients!*

below is the list from most recent
